Dear Readers,

We are once again jubilant and happy to put in your hands 5th issue of 'FLOOR PATTERNS GUIDES' a trade and convincing tools to boost the uses and applications of different stones [Marble (Indian & Overseas), granite and stones] in a systematic and modern way to glorify the beauty of floors in an easiest way.

Based on suggestions of many prestigious architects, interior decorators, builders, users, stone dealers, contractors, mistries and others (India + Overseas) we have developed number of innovative patterns which will give different look, when it would be laid.

In addition to flooring patterns we have also published application display of floors which will be very useful for users to decide which floor to adopt and for what location.

We hope you will also appreciate this book as earlier and use the same as your 'trade convincing tool'.

In the hope of boost your business through this book,
We thank you with the assurance that we are with you every time.
